“A great partnership where you can guarantee timely follow up on any queries regarding your sale. Both Berian and Gwyn maintain open communication channels between all parties, mortgage brokers, solicitors and purchasers to give regular updates to their clients which is very welcome. With tangible enthusiasm, they aim to close the deal and maintain interest and communication until final completion day.

Availability is good, not being limited to a 9-5pm traditional office team, and we appreciated this aspect when compared with previous house moves. This is a key USP in this day and age where information is accessible 24/7.

Good luck for the future Gents.”

*All the best

“We recently sold our house in Pentyrch with move2here and would like to say a big thank you to Berian and Gwyn. We spoke to lots of estate agents before deciding who to use, Berian and Gwyn were pleasant, charming, professional, friendly and impressed us with their local knowledge. They were the only agents that gave us a personal service and we were glad we used them. They were very patient when designing our brochure, listening and acting on all our wishes. The service was discreet, personal, local and we were very pleased with the extremely fast successful sale. We would highly recommend Berian and Gwyn to anyone who wants a first class, local, service from a knowledgeable, professional and friendly pair of agents.”

*Thanks Guys
