

Dear Pentyrch Bowls Club

I'm not sure if you have heard of us, but Berian and I are two local businessmen that started our own estate agency over a year ago. We are both very enthusiastic about giving back to the community in which we live, so we have come up with this, for every instruction to sell a house we get through a referral from your club/team/society, we will (upon the successful sale) donate £100 to your organisation.

It doesn't need to be a member of your group to claim, it could be a friend or relative of your group, they just need to tell us that they have seen this incentive scheme through you. Did you know that the majority of house moves in Pentyrch, Creigiau and the surrounding areas are from people within our own community.

A little about us.

Move2here is a local online estate agent based in Pentyrch. Focusing on providing excellent service to North Cardiff and surrounding areas, we offer a dynamic, fresh, open and honest yet affordable approach to property sales and lettings.

Move2here combine the very latest technology and marketing strategies with extensive use of social media to offer a full range of highly professional property services. As an online estate agent, our innovative free video tours, of your most valued asset, bring a new modern vibrant approach to property sales. We are available 24/7 to provide you with the best service possible, and will keep you informed on a regular basis of all the interest in your property.

All you need to do is ask your supporters to tell us that they have seen this offer via yourselves at the time of instruction and we'll give you a donation once the sale is complete. There's no limit, it's that simple.

Kind regards

Berian & Gwyn
