Hello and welcome to Race Night,

We hope you have an enjoyable and profitable evening!

If you have not been to a Race Night before, this is how it works. We will be presenting nine race films, each with eight runners numbered 1 to 8. You will be invited to purchase a tote ticket on the number you think will win the race. Each bet will cost £1 (£2 in the final winnersrace) and there is no limit on the number of tickets you may buy. Of course, the more bets you place the better the chance of backing a winner. When all bets have been made, the film will be chosen, shown and the winner clearly declared. If you have a winning ticket, winnings may be collected from the payout desk.

Most of the runners are owned(except Race 7) and trainedby individuals and the winning owner and trainer in each race will receive a prize. The horses in Race 7 will be auctioned per table on the night and the winning table will win a large cash prize.

Race 9 will be the winnersrace. Winners of the previous eight races will be placed in this race; the winner of the final race will be the outright winner and the winning owner and trainer will each win a special prize.

We would like to thank the various people who helped in different ways to make this an enjoyable and successful evening.

We look forward to raising much-needed funds for Pentyrch Bowling Club. The very best of luck!

Brian Ilbery, Jan Berry, Eileen Boddington, Liz Cugley and Bryn Owen
